

Welcome to the  
**California Roadkill Observation System**

Upload Roadkill Photo

*Safety first! Don't take risks.*

If your photo is not [geotagged](#) or you don't have a photo, you can still enter the observation by clicking the button below.

Enter Observation

This site collects photographs and observations of roadkill along California roads and highways by **observers like you**. We collect these data for many reasons – learn about them on our [about page](#).
